

Elite Soccer Camp

The Goal For Goal Elite Soccer Camp is a must for highly motivated and determined young soccer players ages 10-15. Players who are serious about improving their game will train and develop under the guidance of a highly experience collegiate and high school coaches.

The camp offers players the opportunity to enhance their technical skills and further develop the concepts of tactical play. Players will learn specific soccer skills that will make them succeed to a new level. Players are trained in the proper techniques of shooting, serving dribbling, heading, defending, and passing. Our Goal For Goal Elite Soccer Camp will demonstrate the correct tactical movements to enhance their playing ability. Our professional staff will coach and interact with players in a positive, fun environment.
